

For Immediate Release  
Contingency Connection  
6/16/2011

**COMP Cams and Racing Head Service announce the first annual Contingency Connection COMP CAMS ENGINE BUILDER OF THE YEAR BONUS PACKAGE!**

The Contingency Connection is coordinating a NATIONAL Engine Builder incentive program for engine builders and machine shops directly associated with our racers, tracks, and racing series during the 2011 racing season.

**COMP CAMS will be sponsoring the ENGINE BUILDER of the Year** program which will offer ONE lucky overall builder/shop with a custom trophy, custom jacket, and an editorial feature about their shop in the Power & Performance News magazine! Engine Builders and Machine Shops simply email [info@contingencyconnection.com](mailto:info@contingencyconnection.com) to register!

President of JRB Marketing and the Contingency Connection Jackie Ressa stated; "The CC Engine Builder program is an all-encompassing marketing program designed to link Contingency Connection sponsors directly to local and regional engine builders to benefit the builders, warehouse distributors, retailers, racers, tracks, and participating racing series. The COMP Cams Engine Builder of the Year program will reward and recognize engine builders as a key element of our sport!"
