

Scorpion Racing Products Super Star Bonus MADE IN THE U.S.A.

Scorpion Super Stars WIN Sponsorship!

ATTENTION ALL CONTINGENCY CONNECTION RACERS---

Scorpion Racing Products is celebrating their complete line of "Made in the U.S.A." engine components and All-American grass-roots weekly racing with the **Scorpion Racing Products SUPER STAR BONUS** for Contingency Connection tracks/series nationwide!

Scorpion Racing Products, an innovative producer of top quality valve train parts for high performance street and racing applications has achieved a leading market position by focusing on the quality of its products. Scorpion continually beats the competition by offering its customers superior quality that meets and beats the competition, and best of all they want to REWARD grass-roots racers with a Scorpion Super Star Team Bonus package!

The Scorpion Racing Products SUPER STAR Bonus will recognize ONE Super Star driver from each CC track for their performance, attitude and professionalism. One overall track champion at each Contingency Connection track will receive a Scorpion prize package valued at over **\$250!**
